REPORT OF THE BUDGET COMMITTEE

February 2, 1951

To the Voters of New London:

In accordance with the Municipal Budget Law of the State of New Hampshire, the New London Budget Committee has prepared a town budget for the current year which is herewith submitted to you and set forth in the following pages of this report.

The Committee held one closed and two public hearings on the appropriations proposed for the town budget, all of which are included in the Town Warrant. The public hearings were well attended and the various articles which comprise the Warrant were freely discussed.

Due to present day conditions the Committee felt obliged to hold the expenses of the town as low as possible, consequently some of the petitions submitted were not approved.

The cut in the school budget has the approval of the School Board.

Respectfully submitted,

1951 New London Budget Committee

CLARENCE B. GRANGER
Chairman.

AUDITOR'S REPORT

January 19. 1951

I have examined the books and accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Road Agent, Cemetery Commissioners, Sewer Commissioners, and Trustees of the Trust Funds; have compared their several accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and believe these reports to be a true record of the conduct of the town business for the year ending Dec. 31, 1950.

ANNUAL REPORTS

NEW LONDON SERVICE ORGANIZATION, INC.

The New London Service Organization is now seven years old. Our Charter from the State of New Hampshire was granted on Lincoln's Birthday 1944. One of the two principal purposes of incorporation as defined in that Charter is to endorse and promote any worthy project in the Town of New London, so far as our funds and ability permit. This, to be done as one way of doing HONOR to our World War II Veterans. The other principal purpose of incorporation is to help financially any of New London's World War II Veterans. This, so as to HELP our World War II Veterans.

The year just ended has shown further progress towards the fullfilment of these aims, as may be seen from reading both the Clerk's Report and that of the Treasurer. There you will find listed numerous services rendered to the town and of aid given to Veterans and of messages sent overseas to the newer group of veterans.

May the new year bring continued progress.

HERBERT D. SWIFT,
President.

Report of Clerk for 1950

The New London Service Organization started its year 1950 with a banquet at Edgewood Inn where we were guests of Mr. Herbert D. Swift. Monthly meetings were held thereafter at the Tracy Memorial Building.

Rev. Arlington Wry was added to our board of directors in January. In October, Mrs. Carl Duffett resigned as a director and in December, Mr. Robert Wallace resigned as treasurer.

Our main project for fund raising this year has been the management of summer movies at the town hall. This netted us approximately $200.

Our organization during the year has solicited and advanced funds for the preliminary work on the town history.

Loans to veterans have been made as heretofore.

Respectfully submitted,

ALMINA C. SMITH,
Clerk.

ANNUAL REPORT
NEW LONDON PUBLIC LIBRARY
TRACY MEMORIAL BUILDING

The following statistics of the circulation of the books and magazines at the library show an increase over 1949, and, also good use of the building by the community.

Adult fiction	7521
Adult non-fiction	2111
Adult magazines	1045
Juvenile fiction	3516
Juvenile non-fiction	662
Juvenile magazines	153

There have been 12,718 visitors through the year.

During this year 354 new books have been added, of which 42 were gifts. As usual, our many friends have contributed very generously to our magazine table in the reading room.

In both the reading room and the children's room the magazines have circulated freely, thus helping make up for the smaller amount of books purchased this year. We have begun to feel the rise in the cost of new books, especially in the children's room.

We have tried to keep the grades and the High School supplied with supplementary reading and have also sent books regularly to the Elkins School.

All calls for inter-library loans have been met promptly and the Bookmobile still calls on us on alternate months. Although the upper stack is still very congested, we try to do our best, and have answered more than 150 requests for reference material.

The meetings in the Club room average six each week, while the auditorium is used by the Woman's and the Garden Clubs for their meetings through the year.

On May ninth the librarians attended an all-day Neighborhood Meeting at West Lebanon. A refreshing interchange of ideas was enjoyed and new spring books inspected by all.

The State Institute of Librarians, conducted by Miss Pratt of the New Hampshire State Library, honored us by holding their annual week of study at our library, the third week in May. At the end of the course fifteen certificates were awarded and the attendance reported as ranging from 20-26 through the sessions.

The piano pupils of Mrs. Helen R. Colburn gave a recital in June that greatly pleased the audience of parents and friends gathered in the auditorium that night.

The usual Vacation Reading Club was organized in July and August with an enrollment of twenty-two children. Nineteen of these participated in the party held on the first day of September in the auditorium. Games were played, the art exhibit of Mrs. Dorothy Dey Howard visited, and refreshments were served to all. The head librarian presented diplomas for reading twenty-five books to the following children: Sandra Jane Dean, Mary Jane and Betsey Tunis, Judith and Florence Champion, Judith Pond, Robert Wheeler, Judith and Jacqueline Kezar, and Ann Greenaway. Awards for reading ten books went to Marguerite Huntoon, Roselee and Claudia Pellerin, Jane Greenaway, Judith Rivers, Elizabeth Worthen, Marjorie Orr, Ellen Hein, and Karyl Allyn.

Good Book Week was observed in November from the thirteenth to the eighteenth, with an exhibition of new books for adults and children. Also on display were fine mineral collections loaned by Ervine Williams, Earl Lawler, Burton Gray, and Seth Lamson. A cup-and-saucer collection loaned by Mrs. Oscar Colburn and exhibits of pitchers by Mrs. Robert MacMichiel, Mrs. Frances and Sadie Shepard, and Miss Elizabeth Shepard, attracted the attention of all the visiting women. Over three hundred and fifty guests visited us that week, including the grades from the Central School. In connection also with Book Week the head librarian addressed the High School Assembly on the origin and meaning of Good Book Week.

On display in the Reading Room is a beautiful bronze casting of a pheasant done by Jules Moigniez and presented to the library by Dr. Alfred E. Sears.

Our Saturday afternoon Story Hour continues to be popular with the children of the town and we have had as

guests three hundred and seventy-five children during the year.

Mr. Edward Dexter has continued his faithful work in our building and in our gardens. At the time of the Librarian's Institute, especially, we received many favorable comments on the beauty of our gardens and the cleanliness of our building. The Garden Club has helped in planting shrubbery and in the weeding of many flower beds.

Again many people have kindly expressed to us their pleasure in our lights and decorations as we celebrate anew the Christmas season.

HELEN S. NELSON,
Librarian.

Miss Amelia J. McLeod and Mrs. Murray Sargent have continued their efficient work as superintendent and business manager.

Town appropriations (voted at town meetings) to

the hospital during the past year have included the following:

New London	$3,000.00	
New London	300.00	(for the town poor)
Sutton	300.00	
Newbury	300.00	
Andover	100.00	
Springfield	200.00	
Wilmot	100.00	
Bradford	100.00	

Dr. Joseph S. Thomas of Sunapee has been made associate member of the medical staff at the hospital.

Hospital Day under the direction of Mr. Robert Sawyer and ably assisted by Mr. Harry Harris was the most successful day we've ever had. The net receipts for this day totalled $6,630.11. (This figure does not include the money collected by the Summer Residents' committee.) Members of the board and the hospital administration offer their heartfelt thanks to Mr. Sawyer, Mr. Harris and all the folks who worked so untiringly to make this day the best.

The gifts from the summer Residents' Committee include a new kitchen range, equipment for the X-Ray room and a suction and etherizer machine for the operating room. We are deeply indebted to this Committee and to our summer residents for their interest and generosity to the hospital.

Dr. Hayward gave an electric Corey Coffee Maker and it is appreciated by staff and patients alike. The Hospital Aid has continued their work in making improvements to the Nurses' Home. In addition to these activities they have paid off $600 on the mortgage, and approximately $500 has been spent for linen for the hospital. We are indeed grateful. The Woman's Club gave $50 to the maternity ward. The American Legion Auxiliary gave a share of their profits from the play "The Man Who Came To Dinner." A donation of $500 was received from Colby Junior College and is greatly appreciated. A gift of $25 was received from the Sunapee

Horse Show Committee. The Colby Students continue to maintain the Barbara Jane Baker Laboratory.

The Hospital was painted this year, the Nurses' Home has had a portion of the roof shingled and the sidewalks repaired. Work has been started on improving and replacing some of the wiring at the Hospital.

The employees of the Hospital voted to accept Social Security and the program will go into effect January 1, 1951.

The treasurer's report will not appear in the Town report, the audit has not been completed, however, copies of this report will be available at the Annual Meeting of the New London Hospital Board in February.

Mrs. Sargent reports that the total number of patient days for 1950 was 5,692. 616 adults were admitted during the year and 81 births were recorded. These figures show an increase over last year. Miss Dorothy Hale, laboratory technician reports that 2,655 tests were performed during 1950.

The officers and directors of the New London Hospital again wish to express their appreciation to the many benefactors of the hospital. Individual gifts of money, equipment, food, etc., have been too numerous to list in this report. We are appreciative too of the increased interest and support from the surrounding towns. Local organizations continue to play a vital part in supporting the program and policies of your hospital. Because of your help the hospital is meeting the challenge of service to the area.

Respectfully submitted,

MILDRED D. LAMSON,
Secretary.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the New London School Board:

I herewith submit my third annual report as Superintendent of Schools.

Enrollment

The enrollment for the school year, 1950-51, is 221. It is broken down as follows:

Central School:	
Grades 1-8	120
Grades 9-12	92
Elkins School:	
Grades 1-6	9

The total figure is approximately the same as a year ago although the entering first grade is some larger. This is typical of the pattern of school enrollment throughout the nation.

There are 40 tuition pupils in the high school and 5 in the grades.

Handwriting

This year we have added the Rinehart Functional Handwriting System in Grades 1-8. Trained handwriting supervisors visit each class room once a month, outline the work for the next month and check the work of each pupil for the

previous month. A diagnostic report is given to the teacher indicating the items which are to be made the basis for remedial instruction.

Indications point to a general improvement of pupils' handwriting.

Tuition

The tuition rates is as follows:

	Elementary	High School
1950-51	$125	$200
1951-52	$125	$225

In-Service Training

Four members of the staff attended summer school and several others took extension courses during the year. This interest in professional improvement on the part of the faculty is commendable. It is but one indication of an earnest, conscientious staff.

Repairs

Minor repairs and the regular summer cleaning were carried out by the janitor. The major repairs and improvements were:

An asphalt tile floor in the kitchen.
A Celotex ceiling in the shop.
Painting of the interior of the Elkins School.
Painting of the kitchen and locker rooms.
Weatherstripping the outside doors.

New Equipment

The major items of new equipment include:

An electric mimeograph and cabinet
3 lunch tables
A tape recorder
A new set of the Encyclopedia Americana (30 volume)
Playground equipment
(a) Gym Climb
(b) Wave Swing
(c) Metal Slide

A planer for the shop
An electric fan for the kitchen

Memorial Field

By vote of the District, $2000 was appropriated in 1949-50 for the completion and improvement of Memorial Field and $1000 in 1950-51. In order to acqaint the voters as to the disposition of this money, we are including a summary of the expenditures. To date, the bulk of the money has been spent on fill, drainage and re-surfacing the area.

1949-1950

Town of New London		$1,325.25

Work on the atheletic field by Town of New London	132.00
	$309.80

It is planned to use the balance of the money available

for further improving the surface of the baseball field and the construction of bleachers.

School Insurance

A survey of insurance needs was made during the year and an Insurance Analysis was prepared through the co-operation of the local agents.

During the year the amount of fire insurance on the school property was increased from $56,000 to $76,000. It is recommended in next year's budget that this amount be increased to $101,000. Extended coverage was placed on all existing policies.

Public and Teachers' Liability Insurance has been added this year. In general, this type of insurance protects the District against suit from any negligence of its employees.

Workmen's Compensation Insurance has been placed on all regular empoyees of the School District.

Athletic insurance on those students, both boys and girls, who participate in team sports has been carried for several years.

Next year's budget includes funds to provide for Boiler Insurance.

The "Insurance Analysis" recommended that student accident insurance should be handled by the parents. It is a type of insurance not generally carried by School Districts for the cost of reasonable protection would be approximately $13.50 per male student and $6.00 per female student. This type of insurance is generally considered the responsibility of the parent and not the school.

Recommendations

Good schools can always be made better and it is the duty of those charged with school policy to be ever working in that direction.

As we look toward the improvement of our educational offering, consideration should be given to: (a) physical education classes for both elementary and secondary students, (b) the introduction of a course in auto-driving, (c) specialized guidance personnel, (d) an art supervisor. It is likely that items "c" and "d" could best be provided by combining with the other districts of this School Union. It does not

seem feasible to plan to do this for next year, yet we should not forget the need in these fields.

Physical education and auto-driving classes could be included in the school program for next year if one additional faculty member was added. It is recommended that this additional faculty member be obtained for next year and by so doing, we could considerably improve and implement our present school offering.

In conclusion, I wish to express my appreciation for the cooperation received during the past year from the school staff, together with the loyal support of the School Board and the continued interest of the other citizens in the welfare of the schools.

Respectfully submitted,

GORDON B. FLINT,

Superintendent of Schools

REPORT OF PRINCIPAL TO

SUPERINTENDENT GORDON B. FLINT

Dear Mr. Flint:

I submit herewith my report as Principal of New London Central School.

There are many activities during a school year that are not a part of the regular classroom work, but are an important part of the education of the students. It is my wish to present some of these activities.

Soon after school opened in September, each of the high school classes met with their faculty advisors and elected their class officers and outlined their class activities for the ensuing school year. At the same time class members to the Student Council were elected.

The Junior and Senior classes, with the aid of Miss Eleanor C. Parker, inaugurated a series of Community Interest Speakers this year during their morning exercises. These speakers represent various occupations in the community.

The Student Council has sponsored a series of programs of speakers for assemblies. To date the programs have included Mr. Gould, Director of Safety of the New Hampshire Motor Vehicle Department, Mr. Alois Myer, a German youth who has been studying 4-H work in the United States, Mr. Albert Martin of the Speech Department of Dartmouth College, Dr. J. Duane Squires and four students from one of his classes at Colby Junior College, and the Directors of Admission from Bryant

College of Business Administration, and Simmons College. In addition to these speakers there have been movies, one-act plays by the English classes, and a concert by the Colby Junior College Orchestra.

The Senior class presented "Life With Father" on November 3 under the direction of Miss Eleanor Parker. It was an excellent performance.

At the Open House on November 9 the lower elementary grades presented a musical program and the upper elementary grades presented a Minstrel Show. The Parent-Teachers Club helped to make the evening a success by serving refreshments.

The Music Department, under the direction of Mrs. Alberta Fisher, has done much to maintain the interest in music. The Glee Club was represented by three students and the Orchestra by three students at the State Music Festival. In addition to the joint concert with Sunapee, the Glee Club and Orchestra held a Pops Concert on May 19. The Pops Concert proved to be one of the most successful activities of the year and plans are being drawn up for another one this spring.

The winners of the annual New London Women's Club Essay Contest were as follows:

1st Anita Colby
2nd Jean Weber
3rd Laura Homan

Honorable Mentions: Alice Beals, Richard Wry and George Edmunds.

The results of the twelfth annual Heidelberg Prize Speaking Contest were as follows:

Serious Division

1st Norma Oksa
2nd Alice Beals
3rd Richard Wry
Honorable Mention: Anita Colby

Humorous Division

1st Vernon Squires
2nd Flora Barton
3rd Kenneth Rich, Jr.
Honorable Mention: Berkeley Worthen

Sixteen students represented us in the State Speech tournament in February, 1950. Kenneth Rich, Jr., and Vernon Squires reached the semi-finals.

The 1950 Seniors, with Miss Parker as chaperone, went to New York City for a five-day trip during the April vacation. A similar trip is being planned by the 1951 Seniors with Mr. and Mrs. Herwood Curtiss acting as chaperones.

During the spring the Home Economics IX and X classes exchanged places with the Shop IX and X classes. The boys proved to be excellent cooks and the girls clever at repair jobs.

The high school had a Cleau-Up Day in the spring. Work was done on the new athletic field. While this was going on, the Trigonometry class, under the supervision of Mr. Curtiss, surveyed and marked out the baseball diamond.

The athletic program is under the supervision of Mr. Robert Rivers and Miss Mary Ryan. In order to increase the number of students participating, both the coaches are supervising a Junior Varsity program in addition to a Varsity program. Soccer was played by the boys in the fall and plans are being made for Field Hockey for the girls next fall. A Ski Team is planned to help round out our program.

The elementary grades renewed the custom of taking an active part in the Memorial Day Program.

In conjunction with the Commencement Program, the Junior Class sponsored an Alumni Banquet on June 9 in the gymnasium.

In addition to our regular testing program which is conducted by the University of New Hampshire Testing Service for members of the Junior Class and the Eighth grade, the World Book Company, Division of Test Research and Service, invited the high school to participate in a national standardization program. These tests consisted of the Essential High School Content Battery and the Terman-McNemar Test of Mental Ability and were administered in May, 1950. The final results have just been received and it is pleasing to be able to report that the Percentile Rank for each high school grade is equal to or above the National Norms. These tests were in the fields of Mathematics, Science, Social Studies and Eng-

lish. It is our hope that the results will be of use to the students and parents as well as the school.

For a long time many of us have felt that we were lacking in awards for recognition of achievements by the students. The Student Council accepted the responsibility of arousing an interest in awards and contacted several groups in New London and a few outside. The response was excellent and they hope to contact more groups this year. The following awards were made at the Commencement Exercises last June:

John Adams—The Sons of the American Revolution Good Citizen Award.

Gayle Bentley—The American Legion Auxiliary Award for Freshman Achievement.

Laura May Homan—The American Association of Teachers of French Medal.

Eleanor Edmunds—The Daughters of the American Revolution Good Citizen Award.

Robert Pilon—The Reader's Digest Association Award to the Valedictorian.

Berton Murray—The American Legion School Award.

Alice Beals—The Crystal Rebekah Lodge Award for Achievement in Home Economics.

Carroll Thompson—The Heidelberg Lodge of the Independent Order of Odd Fellows Award for Achievement in Industrial Arts.

Marilyn Powell—The Becker Junior College of Business Administration and Secretarial Science Award.

Robert Pilon—The American Legion Auxiliary Award for United States History Achievement.

Marilyn Spaulding—The American Legion Auxiliary Award for Excellence in Oral and Written English.

Wallace Williams and Eleanor Edmunds—The Babe Ruth Sportsmanship Awards.

Wallace Williams and Eleanor Edmunds—The American Legion Auxiliary Scholarships.

Alice Beals—The Parent-Teachers Club Scholarship.

The National Association of Secondary School Principals invited the high school to establish a chapter of the National Honor Society. This invitation is extended to schools with a high standing. The invitation was ac-

cepted and a chapter was duly formed. It is known as the Heidelberg Chapter. The following seniors were elected to the Honor Society in June, 1950:

Alice Beals	Marilyn Powell
Eleanor Edmunds	Marilyn Spaulding
Robert Pilon	Wallace Williams

Many activities have been omitted in the foregoing, but space does not allow for more detail It has been a pleasure to work with the faculty, students, school authorities and members of the community and it is their encouragement that makes us strive to make our school not one of the best, but the best.

Respectfully submitted,

ROBERT J. LIVINGSTON,

Principal.
